To whom it may concern:

This is certified that Petri Markus Pekkarinen has worked in Huntek Tech. Ltd. as web designer trainee between 20<sup>th</sup> June 2002 to 18<sup>th</sup> Dec 2002.

During these six months time, he has designed the English website for Huntek Tech. Ltd; he has created a multimedia CD-ROM presentation for the company. He had also represented Huntek to introduce Huntek's product to English speaking visitor in IT exhibition EXPO 2002 Beijing and Shanghai.

Petri Pekkarinen is enthusiastic and hardworking. I also believe that he is a quick learner. His cheerful and honest personality will guarantee that he can get along well with everybody and be a great team player.

I sincerely wish Petri Pekkarinen all the best in the future!
